SOME CONCISE INFORMATION TO AID PHYSICIANS TO COMPLY WITH STATE AND FEDERAL CONTROLLED SUBSTANCE ACTS

Requirements for a valid controlled substance written prescription are as follows:

1. The prescription must be dated and signed on the day that it is issued.
2. A prescription must bear the full name and address of the patient, the printed or stamped name, address, DEA number and telephone number of the prescriber and the legal signature.
3. The prescription must be signed by the practitioner for all controlled substances although the body of the prescription may be written by a nurse or assistant.
4. Prescriptions must be written in ink, indelible pencil or type-written.

It is illegal for physicians to phone in controlled substances in Schedule 2 except in a bona fide emergency. Schedule 3, 4 and 5 may be phoned in to the pharmacist by the physician.

DO'S

Renew DEA (Formerly BNDD) registration annually.

Order all controlled substances in Schedule 2 on official Order Forms. Order controlled substances in Schedule 3, 4 and 5 by requisition.

Keep an accurate record of all narcotic controlled substances dispensed.

DONT'S

Don't prescribe controlled substances for a patient you have not examined.

Don't prescribe for large quantities of controlled substances.

Don't leave signed prescription blanks for nurse/assistant to physician to fill in.

Don't postdate controlled substance prescriptions.

Don't be careless with your prescription blanks.

Don't carry large amounts of controlled substance in your bag.

Don't ever take a controlled substance unless prescribed by another physician.

Don't write controlled substances this way: Morphine HT $1\frac{1}{2}$ x 10 or Morphine HT $1\frac{1}{4}$ x 10. Several x's or zeros can be added to raise the amount. Use brackets or spelling.

Don't write more than one Rx per blank for a controlled substance.

Don't prescribe for drug dependent persons except as provided by law and regulations.

Controlled substances addicts are very clever in faking disease, give very pitiful stories, steal blanks, forge signatures, raise amounts on legal prescriptions, and do many other things to obtain controlled substances.

If you have any questions regarding the regulatory provisions of the North Carolina Controlled Substances Act, contact the North Carolina Drug Commission, 3800 Barrett Drive, P. O. Box 19344, Raleigh, North Carolina 27609.
